Dear Jerry:

It was a delightful surprise for me to receive the owlid photographs that you were so good to send me. Many thanks.

From the number of "decent" cigars that I was caught receiving, I will have to admit that our little smoking session was a real success.

It was nice hearing from you again and I greatly appreciate your taking the time out to write me.

Clover joins me in sending best regards to you and Gracie.

Sincerely,

SIGNED

Dear Allen,

I have just got a note from Hadley Cantril ,in Maine, and he says he told you in a letter about the photo of you which I gave him and which was taken at our Fiftieth Reunion on June 13th. I hadn't thought of sending you a copy for as such a prominent guy you often are in photos.

In showing my friends the pictures I enclose I always explain that this is not a Goldfine situation even if it appears that way. You can testify before the Senate Committee that for many years you have tried to persuade me to give you a decent cigar and yet so far have not succeeded, so that they cannot be considered a bribe in your case. You will note that you are very critical as you accept the cigar and so far as I can remember you never praised the offering, even the Churchill ones in Washington.

This typing is so bad because I am rushing like mad to get in the car and drive with Gracie to City Island where we board the "Vergemere" the yacht I have chartered from Ogden Phipps. Bob and Eddie Huntington join us at Newport to go on the New York Yacht Club cruise.

Best love to Clover from us both.

Sincerely,

*Lambert*
